Office Memorandum • UNITED STATES GOVERNMENT

25X1A9A

TO :

*USCIB 6/2*

DATE: 6 March 1962

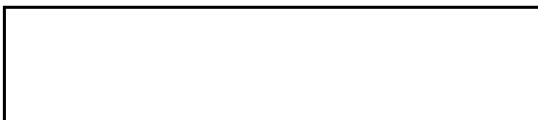

FROM : PPS

SUBJECT: OTR History

From IS: The Intelligence Techniques Course is being changed to allow more time for some of the basic instruction, such as briefing techniques; to include at least one new exercise, such as the one on the production of basic intelligence; to allow more time for library indoctrination; and to allow more time for discussion of the important problem connected with the production of National Intelligence Estimates.

What will probably be the final Intelligence Products Exhibit in the R&S Auditorium has been scheduled for 22 March. In addition to the USIB agencies, the instructional staff of the Strategic Intelligence School has also been invited to attend. ✓ E.

25X1A6B
